About the College

Sri Pushpam College (an autonomous institution affiliated to Bharathidasan University) is established in 1956 by Rao Bahadur Shri. A. Veeriyar Vandayar and his brother Shri. A. Krishnaswamy Vandayar of Poondi to lift up the levels of the downtrodden and backward students of this rural and agrarian area in the fields of education and technology. It was renamed in 1972 as A. Veeriyar Vandayar Memorial Sri Pushpam college. It has decades of rich experience in the Autonomous set up being granted the status in 1987. The Secretary and Correspondent of the college, Shri. K. Thulasiah Vandayar has a vision to offer quality academic programmes and value oriented higher education to the rural community in Tamilnadu to equip them to meet the challenges of time in terms of regional, national and global demands with moral standards. The College is located in Thanjavur to Nagappattinam main road and it is in 12 Kms from Thanjavur Bus stand. The college has 28 years of rich experience in the Autonomous set up with 18 full fledged departments in traditional as well as modern subjects with 14 Research programmes. The college has been Re-accredited with Grade 'A' (3.38 out of 4) by NAAC in the year 2014. Research projects by DoEn, UGC, CSIR, ICAR, DST, SERB are being carried out.

About the Department

Of all the 18 departments in the college, the Department of Mathematics is the oldest one. Being started with under graduate course in 1957, the department now has various courses of study up to research level. Apart from B. Sc Mathematics, M. Sc Mathematics is offered as post graduate course from the year 1967, M. Phil was introduced

in 1983 and Ph.D. in 1990. The department focuses the thrust areas of research in the field of Mathematics are Stochastic Processes, Queuing Theory, Fuzzy Analysis, Number theory, Image processing, Graph Theory and Mathematical Modeling.

About the Conference

The core vision of the conference is to publish new knowledge and technology for the benefit of everyone ranging from the academic and professional research communities in a range of topics in Mathematics. It will provide a common platform to academicians and researchers to interact deliberate, disseminate ideas and having sharing of knowledge.
