Abstract:

In this article, it is to learn about the “Marriage Confirmation by Bhriugu Nandi Nadi” method. Whether a person will get married or not can be answered very simply in this method. In this method, only four planets are taken into account to check the marriage confirmation of a person.

Jupiter: Jupiter is the life governing planet for Male so Jupiter is taken as Lagna for Male.

Venus: Venus is the life governing planet for Female. So, Venus is taken as Lagna for Female and In male horoscope Venus should be taken as wife

Saturn: Saturn is a Karmic (Karaka of karmic) planet for both Male & Female. So Saturn can be taken to determine whether marriage will take place according to karma in the horoscopes of both men and women.

Mars: In female horoscope Mars should be taken as Husband

Note: The relationship between these above four planets can determine whether one will get married or not.
