### **Abstract:**

Determining career in a horoscope is a challenging task nowadays. In ancient time or in the past, the job or professional areas were very little, but today it is as vast as the sea. If you take a job or a career, there are many categories. The government, the private sector, the IT sectors, In this article the researcher tried to high light the ways and means in the study of horoscope prediction – determination of teaching career in private organization.

**Key Words:** Teacher, Private School, Jupiter, Mercury, Sun Saturn, Mars, Kindergarten, Primary, High School

### **Introduction:**

There is a saying that the profession itself is a God where we need to give reverence and respect to it. It refers to the value of a profession or career which we are carrying out. Mother, Father, Guru, God - Here the word Guru refers to the teacher. From this we can well understand the importance of the teacher. The teaching profession is a sacred profession. The teacher is responsible for being the best guide for the students in guiding them. A good teacher accepts the responsibility of guiding students on the right path. Becoming a good teacher by resolving students' doubts and correcting their mistakes is a very special career. A good teacher not only teaches students but also teaches them discipline and self-control.

### **Teacher:**

Teaching is the noblest profession. Next to parents, teachers are also responsible in molding the characters and helping the children to have a bright future in their life. As the water in the well secretes, A teacher will increase his knowledge and energy by teaching their knowledge to others. Education is different. Teaching is different. A few will study very well. But they are not able to explain it to others. Others will excel in education as well. They also have the ability to teach it to others. There are subdivisions in the teaching profession as there are subdivisions in all other professions. There are primary education teacher, higher level teacher and Higher secondary level teacher. It can be divided into private school and public school teachers. There will also be sections depends upon the course they are teaching. A few will teach all the lessons. Some will teach only math. While some others may specialized in only one field, such as science, language, history, and geography, and work as a teacher in that field. Mercury and Jupiter must be strong in one's horoscope to be a good teacher. They must be in good condition to receive fame and name in the profession. Only if the sun is strong, then only they can get a job Government school.

### **Montessori School Teacher:**

Montessori school teacher needs the creative skill to teach the students. The class rooms of the Montessori are beautifully crafted to create the atmosphere needed for the children's range. It needs many aids to meet the requirement of the children. They have to meet out the real interest with the available resources. It needs creative power of the teacher. They should be very cautious in terms of safety of the children. Awareness and alertness are needed. Mercury is responsible for the creative power and intellectuality here. They need motor skills and language skills.

### **Play School Teacher or Kindergarten Teacher:**

Playschool teacher plays an important role in Child's life. Children are learning new stories, morals. They help the children to differentiate shapes, colors, identifying the objects, also helps the children to eat properly. Inculcate the habit of mingling with their peers. They are next to mother of that child. They need to undergo certain special training to become a play school teacher. They are nurturing the children in all ways. They need patience rather than anything. In a horoscope if strong mercury or Jupiter is posited in a favourable form for teaching profession and they are posited the star Kritika, we can say they can choose playschool teaching job. As Kritika is a star which represent the mother character who nurtured six children (Muruga). They need to express their love and affection towards children. For this Venus position will help us to decide.

### **Primary Teacher:**

Primary Teachers are playing an important role in a child's life. The way of teaching, showing love and affection, taking care of the child's interest and encourage them to learn. By seeing the teacher's approach and his / her attitude, the child imitates. If the teacher is very soft and polite the child shows interest in going to

school, wants to learn new and good things and become a bright child. If the teacher is harsh and rude, the child is very much reluctant to go to school, resist to eat, sometimes in fear or in misbehavior.

#### **Secondary School Teacher:**

By the time, the child enters the secondary school, shows enthusiasm and follows the teacher. Sometimes Teacher becomes the student's role model if the teacher rude or tough with students or taunting the students, chances are there that the child becomes so arrogant, naughty mischievous etc., some may avoid to come to school. Some teachers are really interested in teaching. They are not merely teaching but also imparting the knowledge. During the explanation of the meaning of the poem, they will take us to those particular periods as if we are watching the live program. They make the student to love the subject and excel in the subject. Some teacher's partiality behavior makes the student to develop the hatred feeling towards the subject. But few teachers, with their talents in teaching, make the dull or below average students or disinterested in studies also, help the pupils to score good marks in the exams. The teachers from Primary, secondary, Higher secondary, various college teachers from arts, Science, Commerce, Engineering, Medical, Technical fields, Extracurricular activities are playing a very important role to make their students excel in their chosen field n help them to shine in their fields. They are the sole responsible with their dedicated service to create a future teacher, dancers, doctors, lawyers, Engineers, Architect, leaders, National leaders. Make them to feel really interested in the welfare of their subjects, Some teachers are highly knowledgeable and have done their Doctorate course. But due to their personality, dressing sense, not mingling with the present scenario unable to impress the students and are expelled from the teaching profession. Thus the teachers next to the parents are to be worshipped and to give due respect to the teachers and to salute such a noble profession.

#### **The History of Jupiter:**
