Abstract:

Most of the astrologers have done marriage matching by only seeing dasavitha porutham. They satisfy only with dina porutham, gana porutham rajju porutham, mahendra porutha, shree deerga porutham, nadi porutham, rasi porutham, rasi lord porutham, yoni (sexual organ) porutham and vasiya porutham. But it is not enough. Apart from dasavitha porutham, horoscope Lagna, lagna lord and their standing star are very important.

Key Words: Marriage Matching, Dinam, Ganam, Rajju, Mahendram, Sthree Deergam, Nadi, Rasi, Rasi Lord, Yoni, Vasyam, Lagna, Lagna Lord, Standing Star, One Spouse, Two Spouse, More Than Two Spouse, Separation, Divorce.

Introduction:

When marriage life is happy, life is a paradise. But it is un happy, life will be a hell. So, marriage matching is very important for happy life. Apart from dasavitha porutham, lagna, lagna lord, sixth lord, twelveth lord, Mars, Venus and Jupiter's position are very important.

Daily Maching: It shows the happy life. Both husband and wife will enjoy the life very well if this matching is in their horoscope. It is calculated from the star of girl.

Gana Matching: There are three types of gana.

- Deva gana (divinely god)
- Human gana (normal people)
- Ratchasa gana (Saitan) This matching is very important to identify the natural character of the native.

Mahendra Matching: Really the name of this matching is Maha kendra (1, 4, 7, 10) matching. From this matching we should know the life of the couple and their children.

Sthree deergam Matching: This matching shows the husbands life span and indicates deerga sumangali yoga of the girl.

Yoni Matching: This matching indicates the pleasure from intercourse. It also tells the size of the sexual organs penis and vagina. Animals are used to explain the size.

Rasi Matching: This matching indicates the harmony between the husband and the wife . There is no rasi matching the couple would be separated by divorce.

Rasi Lord Matching: This matching indicates the understanding, between the couple's parents. It shows their parent's harmony.

Vasiya Matching: It indicates the attraction between the couple. It also shows the magnetic attraction of the couple, who is attracted by whom.

Rajju Matching: This matching indicates the life span of the husband. This matching is very very important. Stars are divided into five.

- Siro rajju (head)
- Kanda rajju (neck)
- Uthara rajju (abdomen)
- Ooru rajju (thigh)
- Patha rajju (feet)

This matching is must for marriage

- **Veda Matching:** This matching indicates the understanding of the couple every star has one vedai star (enemy star). We should avoid the vedai star in marriage matching.
