Abstract:

This article helps to find out the childbirth problems among the spouse. It gives detailed study about planets and human organs and how the planetary combination affects the childbirth.

Key Words: Karaka Planets for Child, Planets and Organs, Infertility Problems.

Introduction:

In male and female horoscopes, Jupiter that usually represents a child. Generally, one can tell about the fortune of a child by looking at the position of Jupiter. The factors affecting the childbirth can be told by studying Jupiter and other planets such as the Moon, Venus, Mars, and the Sun in male and female horoscopes.

Planets and Organs:

Moon,-uterus

Venus- ovaries, and vagina.

Mars, Sun - sperm

Male Genitals - Mars,

Vagina - Venus

Sun is the karaka planet for a boy baby.

Venus is the karaka planet for a girl baby.

Rules for Planetary Systems Affecting the Childbirth:

- In the horoscope of both men and women, Jupiter should not be in conjunction with Rahu, Ketu, Saturn, and enemy planets.
- In the horoscope of a woman, Moon, should not conjunction with Rahu, Ketu, Saturn, and enemy planets.
- In a female horoscope, Venus should not conjunction with with Rahu, Ketu, Saturn and enemy planets.
- In a male horoscope, Mars should not conjunction with Rahu, Ketu, Saturn and enemy planets.
- In a male horoscope, Sun should not conjunction with Rahu, Ketu, Saturn and enemy planets.

Explanation of the Rule:

In both male and female horoscopes, the common Karaka planet that indicates child is Jupiter. When Jupiter conjunctios with Rahu, Ketu, Saturn and enemy planets, there is a hindrance in childbirth, delay in childbirth, problems in childbirth, and the state of not giving childbirth.

Jupiter + Rahu: Problems in childbirth, miscarriage, artificial insemination

Jupiter + Ketu: Problems in childbirth, infertility,

Jupiter + Saturn: Obstacles and delays in childbirth

In a female horoscope

Venus + Rahu: Problems in the formation of the egg, abnormal size egg production.

Venus + Ketu: Small egg, irregular menstruation.

Venus + Saturn Obstruction and delay in the formation of the egg.

Defective egg formation

Moon + Rahu

Uterus enlargement, Uterus diseases.

Moon + Ketu

Uterus compression, Underdeveloped Uterus, shrinked Uterus.

Moon + Saturn

Uterus underdevelopment, accumulation of waste in the uterus.

Moon + Venus

Miscarriage

Cyst, white discharge in Uterus.

Mars + Rahu

Menstruation with excessive bleeding.

Mars + Ketu

Menstruation with scanty bleeding.

Mars + Saturn

Late and irregular menstruation.

In the male horoscope,

Mars + Rahu

Abnormally large headed sperm, High blood pressure.

Mars + Ketu

Low sperm count, sperm motility affected, low blood pressure.

Mars + Saturn

Sperm formation is delayed, sperm are not motile. Toxins in blood.

Venus + Rahu

Sperm cells are affected, dead,

Venus + Ketu

Low sperm cells are underdeveloped, coiled sperm.

Venus + Saturn

Sperm formation is delayed and ejaculation is problematic

Venus + Moon

Sperm cells are affected by diabetes

Sperm dilution

In both male and female horoscopes, the male karaka planet is Jupiter.

For a male, the male karaka planet is the Sun, for a female karaka planet is Venus

If Jupiter retrograde state, there will be a delay in child birth.

If Saturn is in contact with Jupiter, there will be a delay in child birth, efforts to have a childbirth will be delayed.

Jupiter-Rahu conjunction will cause miscarriage and stillborn.

If Jupiter is in conjunction with Ketu, the child will be born after surgery due to obstacles in childbirth and medical problems

If Saturn-Ketu is in conjunction with Jupiter, the child will not be born at all

In a female horoscope, Saturn's conjunction with the Moon indicates menstrual problems.

It also indicates a problem with the Uterus.

If Rahu is in conjunction with the Sun, more girl baby will be born, and if boy babies are born, they will not stay.

Venus-Rahu will give birth to more girl babies

Jupiter-Sun will give birth to a boy baby

Jupiter-Venus will give birth to a girl baby.

The conjunction of male planets with Jupiter will give birth to more boy babies.

The conjunction of female planets with Jupiter will give birth to more girl babies.

The connection of friendly planets with the Sun increases the birth of male children

The connection of friendly planets with Venus increases the birth of female children

Ketu connection with the Sun or Venus is a hindrance in having a child.

Venus + Moon: Uterus problems, PCOD, miscarriage

Venus Sun combustion status will cause infertility

Venus Saturn will cause delayed child birth

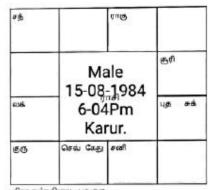

Saturn Mercury connection with Jupiter or Saturn connection will cause an adopted child.

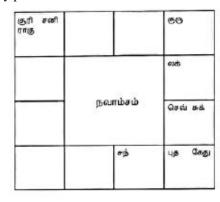

Rahu Ketu connection with Jupiter should be used to have a child through test tube baby attempts.

If Rahu Ketu connection with Venus and Moon Rahu Ketu connection are in the female horoscope, childless couples can get a child if they try for a test tube baby.

Conclusion:

Analysing child birth karaka planet Jupiter and Mars, Sun, Venus in male horoscope and Venus, Moon, Mars, Sun, Jupiter in female horoscope give the possibility of child birth. Planetary combination in male and female horoscopes express the factors affecting child birth. It also suggest treatment for infertility problems.
